

Unitarian Universalist Principles

Children's Version

1. We believe that each and every person is important.
2. We believe that all people should be treated fairly.
3. We believe that our churches should be places where all people are accepted and where we learn and grow together.
4. We believe that each person must be free to search for what is right and true in life.
5. We believe that each person must be guided by her or his conscience, and that people should have a say in decisions that affect them.
6. We believe that we should work for a peaceful, fair and free world.
7. We believe that we should care for our planet earth.
